

Why Use Direct Deposit?

Nearly half of small businesses (48%) don't use direct deposit for their payroll needs

NACHA – The Electronic Payments Association

Automated ACH

Automated ACH takes your payroll straight into your employees' bank account electronically, seamlessly and securely. They love it and you'll love it so here are a few things employers should know about automated payroll ACH.

97% of people who use Direct Deposit via ACH are very satisfied

ElectronicPayments.org

Employee Friendly

- Payroll is paid on time, every time
- Saves employees a trip to their bank or credit union
- Enables employees to avoid check cashing fees
- Works even if employees are away from home, or if your pay date falls on a weekend or holiday
- Gives your employee quick access to their money

Almost 86% of identity theft starts with a lost or stolen check or billing statement

ElectronicPayments.org

Safe and Secure

- Transfers money securely and directly
- Eliminates the risk of lost or stolen checks

Employers can save up to \$1.25 per payment with direct deposit

NACHA – The Electronic Payments Association

Money-saver

- Direct deposit savings creates accounting efficiencies
- No postage, no checks to purchase, no supplies needed
- No employee trips to the bank creeping into your time

Paper checks use more than 674 gallons of fuel a year
